

MY TAX SPOT LLC

Privacy & Secure Portal Consent

Client data handling and secure-communication acknowledgment.

Privacy

My Tax Spot LLC handles taxpayer information for tax preparation and related authorized services. Taxpayer information will not be used or disclosed for unrelated purposes except as permitted by law or pursuant to a valid, separate consent.

Secure Portal

I agree to use the approved secure portal or other approved encrypted method for sensitive documents. I will not knowingly send Social Security numbers, banking information, identification documents, passwords, or tax records through the general website contact form.

Account Security

I am responsible for protecting my portal credentials and notifying My Tax Spot LLC promptly if I suspect unauthorized access.

Service Providers

My Tax Spot LLC may use service providers that support tax preparation, e-signature, secure document exchange, hosting, or related operations, subject to applicable legal and contractual safeguards.

Security Incidents

If a security incident occurs, My Tax Spot LLC will follow its applicable incident-response procedures and legal notification obligations.

By signing, I acknowledge the privacy and secure-portal practices described above.
